OFFICE OF LEGISLATIVE COUNSEL

Monday - 27 June 1977

2. [REDACTED] LIAISON Met with Bill Hogan, Counsel, House Armed Services Subcommittee on Intelligence and Military Application of Nuclear Energy, and discussed H. Res. 656, to establish a House select committee on intelligence. Hogan doubted that there would be much of a debate when the resolution is considered Wednesday. I asked if an Agency representative could sit in on the DIA executive session briefing on Korean forces set for Wednesday, 29 June. He will check and let me know. I left a cover sheet for the Agency paper on the Korean military situation which is on loan to the Committee.

3. [REDACTED] LIAISON Met with Fred Flott, Consultant, House Select Committee on Narcotics Abuse and Control, at his request. He said he will be moving into Chairman Lester L. Wolff's (D., N. Y.) office within the next few weeks and would be turning over Agency material provided to the Committee to another staff member for custody. He will first check with me to be sure clearances are in order.

4. [] LIAISON Bev, in the office of Representative Benjamin Gilman (R., N. Y.), called to ask for information about the Agency tours. I told her we expected the tours to begin in late August. I asked if I could take her name and number to put on a list so I could call her as soon as the information was firm.

5. [] LIAISON I received calls from Maralee Johnson, in the office of Senator Frank Church (D., Idaho), Harriet, in the office of Representative Fortney Stark (D., Calif.), and Lynn Ogden, in the office of Representative William C. Wampler (R., Va.), concerning the CIA tours. I told them that nothing had been confirmed yet but hopefully the tours would begin in late August and we would put their names on a list and would be back in touch as soon as we had firm information.

6. [] LIAISON Received a telephone call from Ms. Dorothy Fosdick, of Senator Henry Jackson's (D., Wash.) office, requesting a transcript of critical remarks about the Senator made in Pravda and broadcast on Radio Moscow. The DDI provided FBIS 06 of 26 June 1977 which was handcarried to Ms. Fosdick this date. The full text will be provided to Ms. Fosdick on 28 June.

7. [] ADMINISTRATIVE DELIVERIES
Delivered a 23 June 1977 report from TASS on Eurocommunism to Mr. Winslow Wheeler, on the staff of Senator Jacob Javits (R., N. Y.). Mr. Wheeler called earlier in the day to request the article.

8. [] ADMINISTRATIVE DELIVERIES
Delivered to Mr. William Fitzgerald, Office of Technology Assessment, a group of Agency publications which he had requested. These were: "Methods of Constructing Economic Indexes from Incomplete Data," "Non-OPEC LDCs: Terms of Trade Since 1970," "Free World Oil Refineries," "OPEC Countries: Current Account Trends, 1975-76," and "Natural Gas."

10. [REDACTED] BRIEFING At the direction of Mr. Cary, I called Charles Sorrels, of the Congressional Budget Office, apropos Sorrels' request for an OWI briefing by 28 July. I told Sorrels that, as a reflection of the President's and the DCI's concern about beginning to limit the numbers of people--not particular individuals--receiving highly-sensitive briefings, we would ask that his (Sorrels') chief send a letter asking for the briefing. I said I appreciated that this would eliminate Sorrels' chance for the briefing before he goes to Maine for the weekend (the time element he had cited originally). He said that he could only remember one other time since 1967--and that in the days of Richard Helms' directorship--when the Agency attempted to place some limits on such briefings, and that he personally thought it was a good idea. He said he would check on the letter and get back to me.

11. [REDACTED] LIAISON Responding to the request of 24 June from Richard Kaufman, General Counsel, Joint Economic Committee, I left word for Kaufman that the tables which will be a part of the classified version of the 1977 dollar cost study of Soviet defense spending have not been completed yet, and hence cannot be sent to him; further, the economic report now in preparation which the DCI mentioned at the Joint Economic Subcommittee on Priorities and Economy in Government on 23 June is also still being worked on, and we shall advise him when it is ready.

I also sent to Kaufman, via courier, an inset to the transcript of the 23 June briefing entitled "Part II: Soviet Defense Cuts: Military Mission comparison."

13. [REDACTED] LEGISLATION Called Mat Schneider, on the staff of the Senate Governmental Affairs Committee, to check on the status of S. 2, the "Sunset Act of 1977." He said that the bill was moving faster than he had anticipated, and they expected final mark-up to be tomorrow.

25X1

14. [REDACTED] LIAISON Received a call from Allen Platt, ACDA. He requested a copy of Admiral Turner's testimony before the Joint Economic Committee on Soviet spending. I told him I would check and get back to him.

25X1

15. [REDACTED] LEGISLATION Called Mr. Emericks, on the staff of the House Armed Services Committee, and inquired about hearings the Committee had scheduled on physicians pay comparability bills. He said that the hearings only concerned legislation to extend existing authority for special pay for military doctors. I informed him of our concerns in this area, and he said he would alert me when the Committee takes up new legislation.

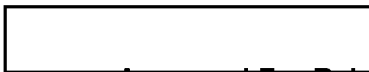

25X1

16. [REDACTED] LEGISLATION Called John Lordan and George Strauss, OMB, to ask if they had lists of agencies or Federal departments which have contingency funds. Neither was able to help.

25X1

17. [REDACTED] LIAISON Received a call from Richard Ruvelson, in the office of Senator Wendell R. Anderson (D., Minn.), who inquired about publications the Agency might have concerning U.S. defense estimates or alternatives and foreign policy options. After consulting with the Congressional Support Staff, it was determined that the only publication we could provide him would be "A Dollar Cost Comparison of Soviet and U.S. Defense Activities, 1966-1976" and suggest that he contact the Pentagon. This was agreeable to Mr. Ruvelson, so the publication was sent to him and he said he would be in touch with the Pentagon.

18. [] BRIEFING Apropos Charles Snodgrass', House Appropriations Committee staff, call to [] about a briefing on 28 June at 2:00 p.m. for Representatives Charles Wilson (D., Texas) and George O'Brien (R., Ill.) and Mrs. O'Brien before they leave on 1 July for Panama, Costa Rica and Nicaragua, I alerted [] CSS, to arrange for briefers. After learning that State Department briefers would also participate, I talked with Curt Cutter, Office of Congressional Affairs, State Department, who later advised that Keith Guthrie would cover Panama and Wade Mathews would cover Nicaragua for the Department. I passed their names and telephone numbers on to [] for our briefers, encouraging them to be in touch to make sure there would be no difficult differences of view expressed at the briefing.

19. [] LIAISON George Allen, Minority staff of the House Appropriations Committee who reports to Representative Elford Cederberg (R., Mich.), called to ask for a talking paper on the three amendments to the Defense Appropriations Bill, H. R. 7933, introduced on 23 June by Representative Bill Burlison (D., Mo.) on assassinations, bribery and the Contingency Reserve fund. After [] advised Ralph Preston, Staff Chief, of Allen's interest, I called Allen back and said we would have something, unattributable, for him by 9:00 a.m. on 28 June.

20. [] LIAISON Don Hoyer, on the staff of Representative Dan Daniel (D., Va.), called to ask what CIA had in the way of studies and information on illegal aliens in the U.S., and to ask for a briefing of the Congressman on the subject. I said I thought the FBI and the Immigration & Naturalization Service were his best sources of illegal aliens. He said he had a call in to I&NS and would try the FBI as well, and agreed then to get back to me if he thought there might be anything we could add. I alerted [] CSS, who thought there probably was not.

21. [] LIAISON Called Bob Hull, State Department, on legislation designed to extend the authority to convert South Vietnamese piasters, not to exceed \$2,000.

22. [] LIAISON Forwarded to Senator Mike Gravel (D., Alaska) a copy of the Agency publications "The International Energy Situation: Outlook to 1985" and "Prospects for Soviet Oil Production." The Senator was assured that he will receive copies of the International Oil Development Statistics.

23. [] LEGISLATION Called Mike O'Neil, in the office of Representative Edward Boland (D., Mass.), to discuss several major shortfalls in H. Res. 656. O'Neil said there is very little give in the situation, and the quality of the members assigned to the Committee and leadership support should help to surmount many problems. Stressing that it was my personal view, I told O'Neil that adjustment of Rule XI as it relates to access to extremely sensitive intelligence sources and methods information, stood a strong chance of majority approval and is supportive of stands taken by the President, Directors of Central Intelligence and many responsible congressional leaders.

25. [] LIAISON Provided Dorothy Fosdick, staff of the Senate Governmental Affairs Permanent Subcommittee on Investigations, with the requested item from Pravda concerning detente' and Senator Henry Jackson (D., Wash.). I told Ms. Fosdick the entire article would probably be on the wire later and we would provide the full text promptly.

26. [] BRIEFING Accompanied Messrs. [] CSS, [] OER, [] ORPA, and [] OER, to a two hour briefing of Representatives Lee Hamilton (D., Ind.), David Obey (D., Wis.), Abner Mikva (D., Ill.), Benjamin Rosenthal (D., N. Y.), and Mike Van Dusen, House International Relations Committee staff, and Mike Merrick, House Appropriations Committee staff, on the political, military and economic situation in the Middle East. The briefing was very well received and we will attempt to schedule a debriefing after their return.

ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 27 June 1977

1. [] LIAISON Called Ray Heider, OA/OSI, and told him the Agency had no objection to the Air Force passing a document containing Agency material to the Senate Select Committee on Intelligence. I had checked with the IC Staff, DDO, and DDI on this. The document is entitled "Soviet Overt Intelligence Collections in the United States". I also suggested that he should check with the FBI and Heider said he already had.

25X1

2. [] LIAISON Called Audrey Hatry, Clerk, Senate Select Committee on Intelligence staff, and told her several staff members had never made arrangements to receive new Agency badges and that it appeared the new badge system would be in effect in about a month. I read her the names of those staff members who do have new badges and requested that she and Bill Miller, Staff Director, Senate Select Committee on Intelligence, determine what other staff members needed them and that they encourage them to get new badges made.

25X1

3. [] LIAISON Called Bernard Fortman, who handles Senate Select Committee on Intelligence work for the GPO, in response to Audrey Hatry's, Senate Select Committee on Intelligence staff, letter of 15 June. I informed Fortman that [] OCR, would be the Agency representative for the Committee to contact regarding "riding the jacket" on GPO publications.

25X1

25X1

4. [] LIAISON John Elliff, Senate Select Committee on Intelligence staff, called to request another meeting with DDO officials regarding the guidelines he is preparing for Agency reporting to the Committee on activities involving Americans. The meeting was subsequently set up for 1 July at 2:00 p.m. with [] AGC/DDO, and [] SA/DO/O.

25X1

25X1

Elliff also mentioned that the Judiciary Committee would be reporting S. 1566, the Electronic Surveillance Bill by mid-July and that the Senate Select Committee on Intelligence wanted to hold hearings beginning 19 July. Elliff asked if the Director could appear 19 or 20 July. Elliff was unsure if a public session would be required and said his own preference would be strictly executive session testimony. I told him the Director had testified in public session on the bill before the Judiciary Committee, and I thought the Agency's preferences would be for a strictly executive session.

25X1 13. [REDACTED] LIAISON Talked to the following individuals in an effort to get the White House to make a call to Representative Bill Burlison (D., Mo.) to try to dissuade him from placing three amendments to the Defense Appropriation bill when the bill comes up for action on the floor on Tuesday: Sam Hoskinson and Jerry Schecter, NSC; Joe Mitchell, Jim Free, Bill Cable, Anne Patterson and Patty Desusa, all of the White House staff. I indicated the importance of a call from the White House in these circumstances and received assurances that the matter would be brought to the attention of Frank Moore, Assistant to the President for Congressional Liaison, no later than early tomorrow morning.

14. [REDACTED] LIAISON Advised Ralph Preston, House Appropriations Committee staff, that we were in touch with the White House and expected that someone there would contact Representative Bill Burlison (D., Mo.) in an effort to dissuade him from offering his amendments on assassination, payments to foreign officials and elimination of the Contingency Reserve fund. Preston said he thought this would do some good since Mr. Burlison was wavering on this issue.

25X1

16. [REDACTED] LIAISON Chuck Snodgrass, House Appropriations Defense Subcommittee staff, called and asked for a list of other departments and agencies which have Contingency funds. Snodgrass is interested in having this information in connection with the debate on Representative Bill Burlison's (D., Mo.) amendment to abolish the CIA Contingency Reserve fund. I later discussed this matter with Jim Fellenbaum, Senate Appropriations Committee staff, and obtained some leads from him on such funds.

25X1

17. [REDACTED] LEGISLATION Received a call from Senator Daniel Inouye (D., Hawaii) regarding action taken on S. 555, a bill to authorize the appointment of a special prosecutor in certain circumstances. Senator Inouye was successful in defeating an amendment which would have been very difficult for the Agency which was sponsored by Senators Frank Church (D., Idaho) and Charles McC. Mathias (R., Md.), but nevertheless, indicated that this legislation could be troublesome for us. We will follow it and see what action can be taken in the House.
